Agreement Type Requested	
☐ Good Will : A general agreement	for cooperation.
Exchange: A bilateral agreement	t for the exchange of students and faculty, subject to the review
of the Education Abroad office.	
 Advancement: An agreement for 	r the advancement of mutual interests.
Review Criteria	

1. Provide a rationale for the proposed partnership, including a brief description of the purpose of the partnership and how it will benefit Western.

2. What resources are required to develop and maintain this partnership? Please describe any funding or other resources currently available to support this partnership and how those resources will be used. If you are seeking additional funding or resources, please describe.

3.	Describe the scope of this proposed agreement and whether it is intended to be at the department, college, or university level.
4.	In reference to the IGE partnerships website, please indicate if Western has any other partnership agreements with institutions in the same country, city, or area. If so, please list these institutions.
5.	Would further developing existing partnerships fulfill the same purpose?
6.	Does the proposed institution have a partnership agreement with any other universities in the state of Washington? In the U.S.?
7.	What evidence is there that the proposed international institution places the same value on a partnership with Western?
8.	Have you or another Western representative visited this site? If so, please describe.
